FOR THE FORTRESS

A Train Load of Ammunition Was Safely Delivered at Port Arthur by Russians.

THE SITUATION IN MANCHURIA.

Impending Events of Great Importance Are Foreshadowed in Official Dispatches at St. Petersburg.

Russian Authorities Look With Considerable Philosophy on the Division of Gen. Kuroki's Army Into Three Commands.

St. Petersburg, May 12.—Impending events of great importance to the military situation in Manchuria are foreshadowed in official dispatches given out late Wednesday night by the war commission.

On May 8 the Japanese forces cautiously moved from Feng Wang Cheng toward Hail Cheng, which is 32 miles east by north of New Chwang, and it is the opinion of the general staff that they should certainly reach their destination within two days. If the Japanese occupy Hail Cheng, with Port Arthur effectively cut off, New Chwang, which the Russians have already dismantled, would pass into their hands. The entire Liao Tung peninsula, in fact, save Port Arthur, and perhaps Kalping, would be commanded by them.

The satisfaction felt at the re-establishment of communication with Port Arthur is increased by the knowledge that a train load of ammunition has been safely delivered to the fortress. This was done in the presence of the enemy's army which landed at Pitweo and which is apparently on the eve of being reinforced by another division on board 30 transports now lying off Port Adams.

The authorities are looking with considerable philosophy on the division by Gen. Kuroki of his army into three separate commands, for they expect Gen. Kuroptakin promptly to take advantage of the numerical inferiority of the enemy.

There are ample supplies of munitions of war at Port Arthur, but naturally Gen. Kuroptakin desired to send as much as possible to the fortress. During the expected siege great quantities of shells and explosives will be fired, and the Russians can not afford to permit the reproach of the defenders that they could not hold Port Arthur because of a lack of powder and shells. But the officers assert there are enough supplies there for one year.

With such a large force of the enemy before Port Arthur it is well understood here that it is a question of days, perhaps hours, before communication is again cut off. It is predicted that there will be a daring attempt at a repetition of Lieut. Col. Spiridonoff's plan to get ammunition into Port Arthur.

One fact mentioned in the official dispatches on which the authorities lay stress is the action of the Chinese in saving a Japanese detachment from a Cossack ambuscade. Such incidents as these can only lead, it is stated, to Gen. Kuroptakin's taking determined measures. He can not have the enemy within as well as outside the lines.

THE NEW EXPLOSIVE.

It Was Invented By a Japanese Chemist.

Vancouver, B. C., May 12.—Issa Tanimura, of Tokio, trade commissioner to Canada, arrived on the Empress of Japan and gives details of the new explosive used by Japan, referred to in a press dispatch from St. Petersburg. He says it was invented by a Japanese chemist and is apparently a development of lyddite, the basis being picric acid. He declares it explodes under water, may be used in all weapons and is not subject to injury from dampness.

"Much of Japan's success in the engagements both on land and sea," said Mr. Tanimura, in an interview here Wednesday, "is due to the superior quality of the new explosive which is now being used."

Secretary Taft Under the Knife. Washington, May 12.—Dr. W. H. Richardson performed an operation on Secretary Taft for the removal of a growth resulting from tonsillitis. The knife was used on the secretary's nose, and the pain was acute, resulting in violent inflammation. Wednesday night the secretary's temperature was 104.

Death of Col. H. B. Bristol. New York, May 12.—Col. Henry B. Bristol, U. S. A. (retired), is dead at his home here. He was born in Detroit, Mich., in 1838, entered the army under Gen. Lewis Cass, and after the civil war served in several Indian campaigns.

GILLESPIE MURDER TRIAL.

Oscar Jones, a Sworn Juror, Removed From the Jury.

Rising Sun, Ind., May 12.—There was a change in the personnel of the jury in the Gillespie case. It has been proved that Oscar Jones, a sworn juror, is a third cousin of Mrs. Belle Seward, one of the defendants. Attorney Spaan's motion to remove Jones from the jury was sustained by Judge Downey. The motion was a long typewritten document, and recited that Oscar Jones' mother was a first cousin of the mother of William Seward, husband of Belle Seward, one of the defendants in the present case. William Seward is dead, but Attorney Spaan cited precedents and authorities to show that the relationship still continues. In fact, he proved that in Indiana relationship continues up to the fifth degree, and is recognized in court.

Attorney Thomas Shay made a motion that all four defendants in the Gillespie case be dismissed at once. He said that according to the Indiana laws the quartet now under indictment are as good as freed. Shay contended that the removal of Oscar Jones as a juror has changed the entire complexion of the case, and that his clients can not again be placed in jeopardy. He said that Jones is not related to any of the defendants, no relationship has been proved, and that the laws from the earliest period of Indiana will show numerous precedents why the quartet of indicted persons should be dismissed. The motion of Mr. Shay caused a sensation in the courtroom, and after Judge Downey rapped for order he overruled it.

PAN-AMERICAN EXPOSITION.

It Is Claimed \$150,000 Was Used Illegally in Policing It.

Buffalo, N. Y., May 12.—At a meeting of the board of councilmen Wednesday the committee appointed to consider President John J. Smith's charge that \$200,000 of the city's money had been "squandered" or illegally expended, made its report. The report says that the committee believes that the \$150,000 paid out by the city for police protection at the Pan-American exposition grounds during the summer of 1901 was expended illegally, the city having no more right to pay for a police force for the Pan-American exposition, a private corporation, than they have to organize and pay for a police force for any other private corporation.

ANTHRACITE MINERS.

They Will Receive No Advance on April Wages.

Wilkesbarre, Pa., May 12.—The various coal companies in the Wyoming and Lackawanna regions have been notified by Commissioner Nellie that the miners would receive no advance on April wages under the sliding scale as the price of coal at tidewater was below \$4.55 a ton. For March the miners received six per cent. advance. Since then there has been a cut in prices. For the next few months coal will advance 10 cents a ton monthly and in this case the miners will soon receive some percentage above the basis rate fixed by the strike commission.

THE WESTERN MINERS.

Semi-Annual Meeting of the Executive Board in Denver.

Denver, Col., May 12.—The semi-annual meeting of the executive board of the Western Federation of Miners began at headquarters in this city. Vice President John C. Williams, of California, will preside at the sessions because of the absence of President Moyer, who is being held a military prisoner at Telluride. The board sent a message to Moyer extending him its "proud sympathy and earnest support" and received reply from the imprisoned official acknowledging receipt of the message to him.

Chicago, May 12.—Rev. Chas. HE DEFIES ARREST

J. J. Deitz, Wanted For Violating Court Injunction, Holds Sheriff and Posse at Bay.

HE IS BARRICADED IN A HOUSE.

Two of the Attacking Party Were Shot by the Desperado, One Being Badly Wounded.

Twenty Rifles, With Ammunition, Have Been Shipped to the Sheriff By Capt. Mowatt, of the National Guard.

Hayward, Wis., May 12.—J. F. Deitz, the settler on the Lower Chippewa who is holding Sheriff Peterson and deputies at bay, is still the master of the situation. The country above his home is very rough and dense with thick underbrush, making his capture difficult and hazardous. Several deputies with fresh stock of ammunition were sent out Wednesday.

William Elliott, reported to have been shot, returned to Hayward Wednesday unharmed. He reports two men were shot by Deitz, one being severely wounded, the other with his arm shattered. The wounded men are in an abandoned camp. Dr. Story was sent out from here to attend them, but his guide has not yet been able to pilot him over the trail for fear of Deitz. Deitz sprang into prominence here two years ago during the election trouble when Sheriff Gibbin called for the militia to put down a mob and took a prominent part in counseling against rash actions or overstepping of the law. His friends here do not credit all the stories that come in of his desperate stand.

Ashland, Wis., May 12.—Capt. Mowatt, of Company D, Wisconsin national guard, shipped 20 rifles to the sheriff of Sawyer county Wednesday afternoon together with ammunition, by order of Judge Paris, of the circuit court. These rifles are to be used by a posse to hunt down J. F. Deitz who, after shooting Deputy Sheriff Elliott, who went to Deitz's home to arrest him, has barricaded himself in a settler's home and is defying the officers.

Deitz is wanted for resisting arrest by Deputy Sheriff William Elliott on Monday on a warrant charging him with contempt of court in violating an injunction issued by Judge Paris restraining him from interfering with the Chippewa Lumber Co.'s log drive.

THE DEATH OF WENTZ.

Coroner's Jury Says It Was Caused By An Accident.

Bristol, Tenn., May 12.—"He came to his death by the accidental discharge of his own pistol," is the verdict of the coroner's jury, which for nearly two days has been investigating the circumstances and conditions surrounding the death of Edward L. Wentz, the young millionaire, whose body was discovered decayed and unburied on a spur of Black Mountain last Sunday afternoon. The verdict came as a surprise in every quarter, as the great majority of the people who heard the evidence and examined conditions surrounding the body as it lay on the mountain believe the cause to have been suicide, while there are many others who say there is crime so deep and cunning as to make the affair more mysterious than ever.

DIED FROM OVERJOY.

Boarding School Girl Collapsed on Sight of Her Mother.

Buffalo, N. Y., May 12.—Miss Marion Corham, of Marshall, Mich., is dead, and the physician's report ascribes the cause to shock from overjoy. She was dead in a few seconds.

NEARLY AN ENTIRE BLOCK.

Big Blaze in Shelbyville Caused Much Destruction.

Shelbyville, Ky., May 12.—Almost the entire block on the south side of Main street, between Seventh and Eighth, was destroyed by fire Wednesday. The loss is \$30,000, with only \$5,000 insurance.

The losers are John C. Reaser, John B. O'Leary, Mrs. Victorine Weakley, Woodie Hall and the Randolph estate, owners of the buildings, and the following occupants: McDade Bros., livermen; Talbert & Martin, livermen; John B. O'Leary, carriage manufacturer; Hammond Bros., carriage manufacturers; John C. Reaser, barber.

While all the livery stock was saved, nearly a hundred vehicles were destroyed, many belonging to private individuals, who had them in the shops for repairs. There were many narrow escapes from serious injury.

NOT BADLY HURT.

Girl Jumped From Third-Story Window of Children Home.

Lexington, Ky., May 12.—In an effort to escape from the children's home, where she had been taken by the humane society to save her from a life of shame, Viola Hukill, the 15-year-old daughter of James Hukill, of this city, jumped out of the third-story window of that institution Wednesday night, but escaped serious injury. The attendants, anticipating an attempt at escape, were on the watch, and caught her before she could leave the grounds. She was placed by order of her father on a north-bound train for Covington and taken to the convent of the Good Shepherd.

THE LOUISVILLE RACES.

Lonsdale Won the Feature Event on Wednesday.

Louisville, Ky., May 12.—Lonsdale won the feature event Wednesday from Ed Tierney before a large crowd. They were equal favorites and Proof Reader, at a long price, finished third, a length in front of Japan. Prince Silverwings and Barabara Whiting were the only favorites to win and the defeat of Alee in the last race hurt the form players severely.

Sentenced to Death.

Winchester, Ky., May 12.—Perhaps the quickest verdict on record with death penalty attached was returned here, the jury in the case of John Hathaway, colored, being out only nine minutes. In January Hathaway came here from Jackson in search of Etta Thomas, who had been living with him. On her refusal to again go with him he shot her through the heart.

Too Much Rebate.

Louisville, Ky., May 12.—The licenses of many insurance agents will probably be canceled by Henry E. Prewitt, insurance commissioner, next week for violation of the anti-rebate law. MINE EXPLOSION.

Five Men Were Killed Outright, Five Seriously and 20 Others Slightly Injured.

SIX KEGS OF POWDER LET GO.

It Is Thought That the Explosive Became Ignited by an Electric Current Running the Machines.

The Body of One of the Victims Was Literally Torn to Pieces—Four of Those Who Were Injured May Die.

Carbondale, Ill., May 12.—In an explosion Wednesday at the shaft of the Big Muddy Coal and Iron Co. in Herrin, five men were killed outright, five seriously injured and 20 others slightly injured.

The dead are: John Miller, Dick Reins, Fritz Selberg, Evan Williams and Thomas Green.

Fatally injured: John Swofford, Frank Lazonia and Angelo Scaronia.

The disaster was one of the most serious in the history of the coal industry in this section for many years. Six kegs of powder had been placed in the mine during the time intervening between the night and day shifts, for distribution to the men in the morning. John Miller, a driver, had charge of the distribution of the explosives.

Ten minutes after Miller was supposed to have accomplished his task, the electric current which runs the machines was turned on and the explosion followed. It is supposed that through some mistake the current was switched on before Miller had distributed the powder.

Preparations were hurriedly made by the men on top to learn the fate of their 40 or more companions below. On reaching the passageway they were met by a frightful sight. The body of Miller, the driver, was literally torn to pieces. Evan Williams was found only a short distance from Miller, and four of those whose injuries may prove fatal were found in the same vicinity. The three others killed were farther from the pit and not so badly disfigured. The injured men were found in all parts of the mine. The dead and injured were taken to the top as rapidly as possible, the dead to an improvised morgue and the injured to their homes or boarding houses.

The coroner's inquest began in Herrin Wednesday and will continue on Thursday.

THE PUBLIC LIBRARY.

The Library Committee appointed by Council at its last meeting held its first session yesterday afternoon.

After a general survey of the premises and noting the essential and immediate requirements of the building and grounds, the committee wisely and almost as a whole adopted the suggestions of the Ledger as set forth in its columns several weeks ago.—Public Ledger.

The above would be amusing were it not such a serious matter for the editor of a paper to make statements so entirely contrary to the facts in the case.

In the first place, the committee did not meet Tuesday to decide on plans for improving the Public Library, but to take steps to have the improvements made that were ordered by the City Council at its May meeting, which action of the Council was taken on the recommendations of the committee.

Secondly, as to the committee's adopting any "suggestions of the Ledger, as set forth in its columns several weeks ago," or at any other old time, just the reverse is nearer the truth. Instead of the committee's adopting any suggestions of the Ledger for improving the Public Library, the Ledger suggested improvements that had already been adopted by the committee, and which the Ledger writer knew had been decided on before he ever suggested them in his paper. In fact the Ledger never did suggest anything on the subject until after the improvements had already been decided on by the committee and not even then until after he was told by a member of the committee of the committee's action and was asked to urge the improvement of the library in order to help create public sentiment in favor of the movement. That's all.

This much is said simply in order that the facts may be known. If the Ledger writer were as active in promoting public improvements, as he is in claiming credit for things done by other people along that line, what a rare old city we might have!

CONDITION OF CROPS.

Outlook For Wheat Very Poor—Corn Planting Progressing Rapidly—Tobacco Plants in Good Shape.

[Weekly Bulletin Weather Bureau, May 10th.]

Very favorable weather prevailed throughout the week. Work was vigorously prosecuted, and growing crops advanced fairly well. Light showers at the close of the week were very beneficial.

Wheat shows considerable improvement, but it had such a poor start and was so badly winter-killed that there can not be anything like a full crop. It is so thin in some fields that corn is being planted in its place. Corn planting progressed rapidly and was nearly completed. A large acreage is being put in. The early planted corn is coming up better than was expected. Tobacco plants are in good condition in most localities and preparations for transplanting have begun; the acreage will not be quite as large as usual. Oats, rye, clover and grasses are more promising, but winter oats are rather thin. Gardens and potato crops are late, but are now doing much better.

Reports in regard to fruit vary greatly: in the central parts of the State most of the peaches and a great many apples were killed, but in the northeastern and the extreme western counties the damage is not so great. A fair crop of strawberries is expected.

Hiram Thomas Sloup, of this county, and Miss Nannie M. Rash, of Lewis, were married Wednesday by Rev. Charles Barnes.

Tuck will likely keep away from Maysville hereafter.

GERMANTOWN, May 11th.—Elder H. W. Elliott, State evangelist, preached at Christian Sunday morning. Quite a good sum was realized for State missions.

Ed. Thompson of Augusta visited here Sunday. Also Mr. and Mrs. Yates.

Mrs. Will Johnson, who has been visiting her sister, Mrs. Asbury, is now visiting Dr. Dimmitt. Her health is somewhat improved. Mr. Johnson and son Will visited Dr. Dimmitt's Sunday.

Mr. Jolly, who has been in feeble health for a year, died last Friday. Quite a large number of friends and K. of P.'s attended his funeral Sunday. He was an upright, honorable citizen and leave a wife and three children to mourn his loss. His sons Brady and Manassah are in Arizona, commanding good salaries in educational lines. His daughter Miss Adgie has been teaching in Germantown for several years.

Farmers are busy planting corn.

Tobacco plants are plentiful.

A large crowd attended the concert at K. of P. hall and pronounced the music fine.

Mrs. Turney of Paris and Moss Walton of Cincinnati attended the funeral of Isaac Maunen last week.

The incidents attending the death of Isaac Maunen were very touching to the people of this vicinity, as he grew to young manhood among them. He left about eight years ago with his parents to seek his fortune in the West. Being at one time a delicate boy, disease again overtook him. His brother Hal did a brother's part, cared for him and took him to every health resort known in the West. Finally seeing the grim reaper was relentless in his grasp, and that life was hanging by a thread, with an intense longing to once more see his old Kentucky home, mother and friends, he was placed on a cot and started from Arizona on a long, lonely trip and one of suffering, arriving after a week's journey at his grandmother's. Though more dead than alive his heart leaped with joy to be at home. His life was spared one short week to greet old friends and chums, and relate the incidents of childhood, when his spirit took its flight and the one desire of his heart was filled, to die in "Old Kentucky." The funeral services were conducted by Rev. J. R. Savage, and by his request "Old Kentucky Home" was sung and every heart was touched and many eyes filled with tears.

EASY WAY TO CURE CATARRH.

Breathe Hyomei and Kill All Catarrhal Germs—"Money Back if it Fails."
Say J. J. Wood & Son.

There is no dangerous stomach drugging when using Hyomei. The healing and aromatic balsams which compose this wonderful treatment are breathed through a neat pocket inhaler that comes with every \$1 outfit.

In this way the germ-killing and health giving Hyomei penetrates to the most remote cells of the lungs. It searches out and kills disease germs in the air passages of the head, throat and nose, soothes and heals the irritated mucous membrane, and absolutely drives catarrh from the system.

Such remarkable results have followed the use of Hyomei by the best people in Maysville that J. J. Wood & Son have the greatest confidence in its power to cure catarrh. They believe in it so thoroughly that they will give their personal guarantee to refund the money if it does not cure, the purchaser to be the sole judge.

This is an unusual offer and the first time that any medicine or treatment for the cure of catarrh has been sold in this way. If it cures, the expense is trifling, while if it fails, the cost is absolutely nothing.

If you are fortunate enough not to be troubled with catarrh, tell your friends of J. J. Wood & Son's offer and get them to take advantage of it.

My father also used Doan's Ointment and is enthusiastic in its praise."

An Epitaph of the Future.

[From the Portland Oregonian.]

In a few years we shall read epitaphs like this:

Here Lies
John Pittsburg Skibo Smith,
Who was born in a
Carnegie Town,
Educated in a
Carnegie Institute,
Studied in a
Carnegie Library.
At the age of 30 he became a
Carnegie Hero,
And has now gone to be with
Carnegie.

To the foregoing the Manufacturers' Record would like to add that in Carnegieizing the American people one more step is needed. Now that men can no longer be heroes without having imputed to them a "Carnegie Hero" motive, now that "it will pay" to be a hero, why not go one step further and build a Carnegie church in every village in America and offer to pay for every new member, varying the amount in proportion to the wickedness of the member before conversion. Surely if men are to be paid to be heroes, they ought to be paid to become Christians.

The revival conducted by Evangelist Ham at Dayton, Ky., has resulted in over fifty additions to the Baptist Church.

MR. JAMES W. COBURN.

Sudden Death of a Native of Mason County.
Was a Popular Citizen of Weston, Mo.

His relatives living at Germantown were greatly shocked Tuesday evening by a telegram announcing the sudden death of Mr. James W. Coburn, of Weston, Mo. While Mr. Coburn's home was at Weston, he was at Ft. Worth, Texas, on business when fatally stricken. No particulars were given, but the supposition is that his death was due to heart disease as he had suffered to some extent from trouble of that character.

Mr. Coburn was a native of Mason County, and was in his fifty-ninth year. In early manhood he held the position of Deputy County Clerk, but in 1865 he moved to Missouri and engaged in the practice of law at Weston, where the rest of his days was spent. Four years ago he was chosen Cashier of Bailey Bros' Bank at Weston, a position he held at the time of his death. He had gone to Ft. Worth only a few days ago to look after some business matters. Mr. Coburn died a bachelor. He leaves one brother, Dr. C. C. Coburn, and two sisters, Mrs. Leon Patterson and Mrs. Sue D. Pollock, all of Germantown. He also leaves many other relatives throughout the county. Mr. Coburn was a son of the late Dr. John A. Coburn, one of the county's leading citizens in his day.

Dr. C. C. Coburn and wife left Wednesday for Weston in response to the telegram announcing the death of his brother.

PLEASANTLY SURPRISED.

The Senior Proprietor of the Bulletin Deeply Touched By Beautiful Tokens of Friendship.

Mr. George Rosser, the senior proprietor of the BULLETIN, was given a very pleasant surprise Wednesday at Mrs. Joe Wood's boarding house where he has been located during his long illness.

The 11th of May marked the sixty-eighth anniversary of his birth. The weather being bright and feeling greatly improved he took a morning stroll in the sunshine. Upon his return he walked out to the dining room. Mrs. Wood had his favorite dishes upon the table, and his plate was garlanded with beautiful roses and carnations. Blooming plants, dainty packages and various tributes of respect and affection adorned his end of the table, while interested friends surrounded him, enjoying his pleasant surprise.

All during the afternoon and evening the shower of gifts continued, and Mr. Rosser was deeply touched by these expressions of friendship.

Some of his friends aver that for many years Mr. Rosser has regretted that he failed in his early youth to obey the words of Holy Writ, which say that it is not good for man to live alone, but surrounded as he now is by loving friends, young and old, he feels that he has sons and daughters, and the tiny tots of the neighborhood cluster about his knees so that at times he looks like a veritable "Grandfather."

It is the sincere wish of his friends that he may have the pleasure of celebrating many more such anniversaries.

MR. HENRY ROTH.

A Former Resident of Maysville Died Wednesday at Dayton, Ohio.

Mrs. Richard Dawson received a telegram Wednesday announcing the death of her brother, Mr. Henry Roth, at Dayton, O. Mr. Roth was afflicted with the loss of his hearing some years ago, and during the past year he became blind. As a result of a complication of diseases his health had been gradually declining, the end coming Wednesday morning.

Mr. Roth was about fifty-five years old, and leaves a wife and five children. He also leaves several brothers and two sisters, the latter being Mrs. Richard Dawson of East Second street, and Mrs. Will Newell of Dayton. He was an upright and industrious man, a resident of Maysville most of his life, having moved to Dayton six years ago.

The remains will be buried at Dayton.
